

Sponsored by the Virtual Region

We'd like your help **inventing** and **creating** new ways to tell our OA stories!

We envision a **Blog** that will feature stories, podcasts, and multimedia (videos, art, and photography)...**what do YOU see?**

Fri, July 30 | 10pm - 1:30am EDT UTC -4/GMT -4

Sat, July 31 | 2pm - 5:30pm EDT UTC -4/GMT -4

Sun, August 1 | 9am - 12:30pm EDT UTC -4/GMT -4

- **Want to write?**

Get your **write on** with us on at one or all of these 3 repeating sessions.

- **Don't care to write, but have a story to tell?**

Record your story! Again, you can join the retreat online or by phone. Record (audio only) your story in our virtual recording booth! (Phone & Online). Members are also needed to read the stories for podcasts.

- **Video your media of choice?**

Get your **video on!** Tell your story in a multi-media way. Collaborate on ideas to create videos without breaking anonymity.

BLAZE THE DIGITAL HIGHWAY TO HAPPY DESTINY

We invite all OA members, meetings, special focus groups, intergroups, and regions, collaborate, share our stories, and create new ideas. How can we use all forms of digital media and communications to share our strength, hope, and experience?
